Late November 2017, my family and I were lucky enough to attend Adventure World's 35th Birthday and official opening of their new ride Goliath.

From the moment we walked in my 2yr old sons eyes lit up with excitement (so did my husband Robs). We spend the first part of our day in the Thrillzone where Rob got to go on the Goliath which he said can only be described as heart thumping!

After some rides we sampled some of the amazing new menu, my favourite was the Pumpkin seed toast, smashed avocado & fetta, garlic field mushroom (not what you were expecting from a theme park huh!)

We spent the rest of our day around the Kingdom and Kahuna Falls which is AMAZING for the younger kiddies.

We are already planning our next trip where we will try out the waterslides and other attractions. No matter what you're age, Adventure World has most definitely catered for all.
