Earlier this month Aisha and I were lucky enough to travel aboard the new SeaLink ferry to Rottnest. Now before I go any further with this review... I really just want to highlight a BIG positive from our experience with SeaLink which sooo many businesses get wrong.... **customer service!!**

From the moment we stepped onboard the staff were smiling and greeting passengers warmly. I saw some staff members helping a single mum navigate her pram (which are welcomed on board FYI), all the while some other staff members were entertaining some young children at the front.

As for us, we were happy to grab a coffee on board and pick up some tips from a staff member on where to go and what to do whilst on the island. Our trip home was just as enjoyable - the ferry was on time, it was fast and a very comfortable ride (in fact we both fell asleep on the way!).

Overall, I wouldn't travel any other way to Rottnest in future... AND how can we forget with **20% off** your fare with Parent Parcel (which may I mention fares are already low)... it's a no brainer!!
